

Your Guide to Curbside Recycling

Paper

Household Paper

- Newspapers/Inserts
- Magazines/Catalogs
- Junk Mail/Office Paper
- Phone/Soft-bound Books
- Paperboard Boxes/Tubes

*Tip for Easy Recycling:
Store in PAPER—NOT
PLASTIC—BAG,
Place Bag in Bin
(not required)*

Corrugated Cardboard

- Flatten Corrugated Boxes
- Stack Next to Bin
- String Binding OK
- 3 ft. x 3 ft. Maximum Size

Do NOT Include:

Plastic Bags,
Paper Towels/
Tissue Products,
Food-
contaminated paper,
Pizza Boxes, Waxed
Cardboard
Spiral Cans

Recycle Plastic Bags
at local grocery
stores. Food con-
taminated paper
waxed cardboard and
tissue can be com-
posted.

Containers

Aluminum and Steel Cans

- Rinse, Flatten if possible
- Recycle Lids, too
- No Aerosols

Plastic Bottles and Jars

- #1 or #2 Only (# on bottom)
- Remove Caps, Discard
- Rinse, Flatten

Glass Bottles and Jars

- Clear, Green, Brown
- Rinse Clean
- Recycle Metal Caps Only

Do NOT Include:

Plastics #3 -#7,
Oil Bottles,
Drinking Glass,
Windows/Mirrors,
Pyrex/Baking Ware
Ceramics
Scrap Metals,
Hangers,
Aerosol Cans

Plastics 3-7 can be
recycled at Drop-off
centers. Oil bottles,
scrap metal & aerosol
cans can be recycled
at County HHW Facility

Place Together in Recycling Bin

- Put out by 6am on your regular trash collection day
- Flattened corrugated cardboard boxes can be placed next to/under the bin, binding with string or twine is optional
- If bin isn't full, consider holding it for the next week [this will save more energy by reducing truck stops]

Who to Call ?

Republic Services for:

- Missed pickups and other service problems
- How to prepare recyclables or refuse for collection
- Special services like bulky item or appliance pick up
- Billing questions or problems
